Forecast For Southwest England
Issued by Met Office Exeter
at 0400 on Tuesday 25 May 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Cloudy with rain in west, elsewhere sunny spells and showers.

Today:
A largely dry start with sunny spells and perhaps a few showers. Turning cloudier over the west through the morning with outbreaks of rain into midday and through afternoon. Sunny spells and scattered showers elsewhere. Maximum temperature 15 deg C (59 deg F).

Tonight:
During the evening cloud and rain clears the majority of the west with lengthy clear spells developing widely away from the far west. Overnight, remaining dry with clear spells. Minimum temperature 2 deg C (36 deg F).

Wednesday:
A dry start with sunny spells through morning, although cloud perhaps lingering over the far southwest. Through afternoon and into evening remaining largely dry with sunny spells widely. Maximum temperature 18 deg C (64 deg F).

Outlook for Thursday to Saturday:
Largely dry with sunny spells during Thursday, perhaps cloudy with rain over the far southwest. Sunny spells with variable amounts of cloud towards the west, Friday. Sunny spells throughout Saturday.
